

INFORMATION FOR PROSPECTIVE HEALTH PROVIDERS

Thank you for your interest in the 2023 Channel Country Ladies Day.

All prospective health providers will be required to complete an Expression of Interest.

The following information is provided to guide you through what you can expect from the Channel Country Ladies Day and the completion of your Expression of Interest.

Purpose

The Channel Country Ladies Day was established in 2012. Our annual event gathers women of the remote Channel Country regions to resource their growth, celebrate their diversity and relish their femininity. We aim to provide an opportunity for women to partake in experiences rarely accessible in these remote regions; connecting, inspiring and empowering them to realize their true potential. We offer "Inspiration in Isolation".

As this is our purpose, our preference is to accommodate local health providers who service the area.

Location & Venue

This year the Channel Country Ladies Day will be held at Bedourie, from the 20th to 22nd October 2023. Bedourie is located 1668km west of Brisbane and 506km south of Mt Isa, and in the Diamantina Shire. Bedourie is a rural town and locality in the Diamantina Shire, Queensland, Australia. In the 2016 census, Bedourie had a population of 112 people.

The Channel Country Ladies Day will be held at the local Racecourse. The facilities will be basic, if you would like a stall area, this will be 3m x3m and we will do our best to accommodate confidential private areas for consultations.

Due to the location of the venue, security is the responsibility of the service provider.

If confirmed as a Service provider you are expected to be on site and completely set up by 4pm on the Friday afternoon.

Expenses

All confirmed service providers are required to purchase their registration through the website. The cost of a ticket will be \$269. This includes catering for the complete weekend. If you need to bring a second person from your organisation, they are required to purchase an additional participant ticket. There will be tented accommodation options available for purchase, should you not wish to bring your own swag/tent or camper.

If you have any small goodies or promotional information that can be added to participants "goodies bags" this would be greatly appreciated.

Expression of Interest Process

We ask if you have any questions to contact with our Health services coordinators.

After reading the information on this leaflet, we ask that you complete an Expression of Interest form.

All Expressions of Interest must be submitted to our Health Co-ordinators.

Expressions of Interest will be assessed by the Channel Country Ladies Day Committee. There are limited consultation spaces, and we ask you to work with us and we will do our best to meet your requirements.

The successful service providers will be required to complete a confirmation of engagement form and purchase a ticket to secure their place at the Channel Country Ladies Day, before we promote your service on social media.
